

	<ul style="list-style-type: none"> - Agreed that future films would be tied into other events organised by the Committee eg Halloween 	
4.	<p>Accounts</p> <p>The accounts for 2021 have been drawn up and were circulated to all committee members. They will now be circulated to Robin Williams for independent verification. BG stated that the committee need to formally approve them at a later meeting.</p>	
5.	<p>Other issues</p> <ul style="list-style-type: none"> - Feedback on events held - Halloween party went well. Pumpkin carving was very successful. Small loss of £6.04 on afternoon - Children's Quiz – enjoyable but only 4 families attended due to illness and poor weather. £8.00 profit - Quiz – well attended and enjoyable. Numbers down on previous years although decision had been taken not to publicise too widely. Over-catered both main course and desserts. Small profit of £36 made after catering and prizes. - Fire extinguishers have been serviced and certificate of compliance posted in hall. - Insurance with Allied Westminster has been renewed with a small increase of £30. Price is locked for next 3 years. - Covid Restrictions – RG reminded the Committee that the Hall is subject to Plan B restrictions which means that users should wear masks. Masks are not required when exercising or when eating. - Update on regular events - Yoga classes run by Ann Williams on Tuesdays and Fridays have stopped since beginning of January. It is unclear whether they will resume due to teacher's work commitments. - Yoga classes run by Jess Tullberg have resumed on Monday mornings. BG said that she has only booked the hall for January and may return to doing the classes at Kneesall at some point. - Some discussion of Pilates classes. GS to speak to Sune Du Toit to see if she would be interested. - Private parties in the village hall from hirers outside the village - There have been some inquiries from outside the village about using the village hall for children's parties. These were refused on the grounds of lack of parking in the village and previous complaints from residents. JS, GS and CB all said that they didn't think parking next to the hall in the village was particularly problematic other than in the summer with large agricultural vehicles. - There was also concern over possible damage and excessive cleaning requirements. Suggestions made that a deposit would be required from hirers. Suggestions from £150 to £200, although this could be tailored to the risk. JG said that it might be difficult for female committee members locking up to tell hirers that a deposit would not be returned. - There was much discussion about the benefits of having the hall used by groups outside the village for meetings and occasional parties. The committee concluded that they did not want to discourage people unduly from applying to use the hall and so the website should not be too restrictive. 	GS

	<ul style="list-style-type: none"> - It was proposed that children’s parties for 10 yrs old and younger was viable but no teen parties. However, there could be a discretionary age for village residents. - RG pointed out the that terms of hire on the website stated that - ‘The use of the Hall by any person/organisation is at the sole discretion of the Committee, which reserves the right to refuse any booking at any time’ and so therefore we could refuse any booking. - Agreed that RG would send all committee members the terms and conditions and the website details and make a proposal for changes that would be agreed at the next meeting <ul style="list-style-type: none"> ● Possible events <ul style="list-style-type: none"> - Live and Local: agreed that when they bring out their new program we would have a look at their events and make a decision then. - Village fete: some hope that it might go ahead but need Drs Knight-Jones decision. This is a major fund-raising event for the Village Hall. - Harvest Supper: The Village did not have a Harvest Supper in 2021 following the church service and there have been some expressions of regret that this did not happen. Historically the Village Hall Committee organised the supper but in recent years the PCC has done so. The Committee all agreed whilst they will make the hall available and organise tables and chairs etc for this event they would not undertake the catering as many members of the committee are away in September. 	RG
6.	<p>AOB</p> <ul style="list-style-type: none"> ● Jubilee Celebrations – There will be a four-day bank holiday from Thursday 2nd – Sunday 5th June. Some concern that this will coincide with half-term and so many families with children might be away. Previous Jubilee celebrations marked by lunch held in Jennifer Strawson’s barn and so committee will discuss with individual villagers whether there is any interest in holding a street party etc. BG to check Brendan’s “party pulse”. ● Boiler flue needs a sweep and possibly a service as pellet consumption is higher than anticipated. BG to arrange sweep and check for service. ● BG reminded that Lottery logo needs adding to any marketing posters/ websites etc. ● BG reminded everyone of email from Brendan Carson about training for the CIEH Foundation Certificate in Food Hygiene. RG said that this was not a requirement as we did not prepare food in the hall. We had met the requirements of NSDC Environmental Health in the audit in August 2021. There is an old RGA health and safety certificate in the kitchen which BG will remove. 	BG BG
7.	<p>Next committee meeting Will be the AGM which will be held after re-election of the Committee at the Parish Meeting.</p>	All
